

# HOMESICK (Marcus King)

---

## Intro (drums 2 bars)

**C#m7      Dmaj7**

## VERSE 1

**C#m7**

**Dmaj7**

One more day, watch the sunrise from the highway

**C#m7**

**Dmaj7**

Lord one more night, sit alone again in the pale moonlight

**C#m7**

**Bm7**

And I don't know why, seems this ride takes so much longer every time

**E...**

But my heart is due back south

## VERSE 2

It's been said to me, oh you oughta not write another love song

Lord, wouldn't they be wrong?

They didn't let me say, what's got me feeling' this way

I'll be ready again, Lord, to tackle this whole damn world

As long as you'll guide me back home

## CHORUS

**A**

You're the only one that makes me homesick

**Bm7**

You're the only one that keeps me honest

**C#m7      Bm7**

**A**

The only one, Lord the only one that keeps me from staying gone

**C#m7      Dmaj7**

## VERSE 3

Hundred miles

Lord, it feels like a hundred years

While my sanity holds on

In my mind I hear your favorite song

So damn tired of this ride

Turn the headlights off

Let the moonlight guide

Lord, let it guide me back home

## CHORUS / x 3
