A little girl with nothing wrong

Is all alone

And she'll sing her song to anyone  
**F C**  
that comes along

Fragile as a leaf in autumn

Just fallin' to the ground

Without a sound

## VERSE 3

**C C/B Am Am/G**  
Crooked little smile on  
**Am/F# F**  
her face  
**C C/B Am Am/G**  
Tells a tale of grace  
**F C**  
That's all her own

A little girl with nothing wrong  
**F C**  
And she's all alone

A little girl with nothing wrong, and she's all alone
